Dear Mr. Trasolini and Ms. Isaak:

Re: Heritage Mountain Middle School

After extensive discussion with our architects, consultants, and staff, the Board of Education at its April 13, 2009 meeting decided to proceed with siting of the new Heritage Mountain Middle School on the baseball field of the existing Heritage Woods Secondary site and directed staff to file a development permit application with the City of Port Moody as soon as possible.

In the interim, the Board wishes to meet councils at the earliest opportunity to discuss various issues in common such as the siting, design, and construction of the school as well as the replacement of the existing playfields. In the near future, we will contact you to determine mutually convenient dates.

We look forward to working with the City of Port Moody and the Village of Anmore to create an outstanding educational opportunity for the students of Anmore and Port Moody.

Yours truly,

SCHOOL DISTRICT NO. 43 (COQUITLAM)
