Dear Resident:

Matcon Civil Constructors Inc. has been awarded the contract for the development of the 19 lot subdivision located on the North side of Eaglecrest Road, East of Sunnyside Road. This project includes a water main upgrade on Sunnyside Road between Eaglecrest Road and Leggett Drive.

This project will commence on Monday June 20th. Access to homes will be maintained throughout the project, and residents with driveways that will be obstructed during the offsite works will be given further notice.

Matcon Civil Constructors Inc. will endeavor to construct the project as safely and as quickly as possible and with the least disruption to the local residents.

Residents are also reminded that the project will be constructed with heavy earthmoving machinery and young children and pets should be kept clear of the work zones.

If you have any questions, please call.

Yours truly,
