

Each year at the Ma Murray Day celebration, the Village of Anmore Mayor and Council officially present the Community Spirit Award to a selected individual. This award recognizes the contributions made by an Anmore resident whose efforts have either improved safety and well-being within the village or enhanced our overall sense of community.

Mayor and Council are calling out to residents to come forward with their Community Spirit Award nominations. Should you wish to nominate an Anmore resident who has given their time to improve our community, please complete the form on the reverse and submit to the Village Hall, 2697 Sunnyside Road or by email to: christine.baird@anmore.com

Deadline for submissions is Friday, August 24, 2018

Please direct questions or comments to the Village Hall at 604-469-9877.
