NOTICE TO THE PUBLIC FIRE SAFETY AND PUBLIC AWARENESS

Council is reaching out to our community and its residents to be pro-active regarding possible fire activity. Due to the extreme temperatures in the weather forecast, we are asking for your assistance.

If you see any suspicious fire activity within the Village, please contact the SVFD:

For Fire **Emergencies**, Call 911

Non-Emergency Call SVFD Fire Hall (604) 469-0349

SVFD Fire Chief, Jay Sharpe posted an Open Burning Ban on June 17th, 2015. To view the SVFD Public Notice, please view the following link:

Due to the nature of our semi-rural landscape, we are susceptible to wildfires. With public assistance we can reduce and limit that risk.

Let's work together to keep our community safe.

Thank you.
