

VILLAGE OF ANMORE

BC HYDRO METRO NORTH TRANSMISSION STUDY

PUBLIC OPEN HOUSE

Tuesday, January 27th, 2015

7:00 p.m. to 9:00 p.m.

Anmore Elementary School – Gymnasium

BC Hydro will be hosting a Metro North Transmission Study Public Open House for on Tuesday, January 27th, 2015 at 7:00 p.m. The Metro North Transmission Study is part of the 30 year Metro Vancouver Strategic Supply plan to improve system security and meet load growth in the Metro Vancouver area. To keep Metro Vancouver growing there is a demand for electricity.

There are 3 route alternatives being considered by BC Hydro. Alternative Route 2 cuts through Anmore on an existing transmission line right-of-way. Mayor and Council provided residents with a two page mail drop regarding the Metro North Transmission Study on Thursday, December 18th, 2014. To view the mail drop, please view the following link:

www.anmore.com/content/metro-north-transmission-study-important-information

BC Hydro would like to receive public input and is inviting Anmore residents and property owners to participate in the Metro Vancouver Transmission Public Open House which will provide an overview of the transmission system, regulatory process, study overview, what they have heard to date and electromagnetic fields. For further information regarding the Study, please view the following link:

www.bchydro.com/mnt

For further information about the Open House, please contact the Manager of Corporate Services, Karen Cobb at: 604-469-9877 or karen.cobb@anmore.com.
