

## Sasamat Volunteer Fire Department Member Profile

Name: **Greg Winterbottom**

Home Municipality: **Anmore**

Work Background: **Retired Chemist**

Years as SVFD Member: **6**

**Why I joined the SVFD:** I believe in volunteering, and couldn't think of a better way to help out in our Community. My only regret is that I waited so long to join. Besides, who wouldn't want to drive a fire truck?

**What the SVFD means to me:** The SVFD has been a great team environment to meet and connect with many of my neighbours. There was much more to learn than I imagined, but it is very interesting, and transfers well to your everyday life. There are so many aspects and roles on the Fire Department that most people find their place to excel.

**A memorable moment:** You never know what you are going to get on a callout, but it is satisfying to help your neighbours when they need it. A couple that come to mind are the Camp Howdy and Hamber Island wildland fires. It was gratifying to see all of our equipment and training come together with positive outcomes. When it happens, all of those hours of training suddenly become so relevant.

\* The SVFD is looking to recruit *two* new firefighters for this September. If you think you may be interested, please contact [sasamatrecruitment@gmail.com](mailto:sasamatrecruitment@gmail.com). Thank You. \*
